

Detainees by Lead Charge and Current Custodial Length of Stay as of July 26, 2024

Charge Description: Brief description of the criminal statute the detainee is charged with violating. This information is limited and frequently does not provide a complete picture of the charges and cases the inmate may have faced. This information is provided to CCSO via a Mittimus document from the Clerk of the Circuit Court, which may not include all charges associated to a specific case. The official source for all charges and related information is the Clerk of the Circuit Court, as CCSO's offender management system is limited to Mittimus information. Please note that the listed charges may include attempts.

Current Custodial Length of Stay: Defined as the number of days that the detainee has been in continuous Cook County Sheriff's custody, as of the date of this data. Days in Cook County Sheriff's custody includes both time spent in the jail and time spent on electronic monitoring. Length of stay is calculated using the detainee's last admission date. The last admission date may be the date the person was booked, but it may be a later date if the detainee went AWOL from electronic monitoring or was temporarily sent to IDOC with an open case and was later returned to the Cook County Department of Corrections within the same booking.
