CCSO Electronic Monitoring Average Daily Population by Charge Type – 2016-2026

The Cook County Sheriff's Office (CCSO) runs an electronic monitoring (EM) program for defendants ordered to the program by a judge. The Sheriff's Office does not determine who is ordered to the program or how long they stay on the program. The following is a breakdown of changes in the program's population and the charges individuals face on the program. Each column represents the average daily EM population for the listed year by lead charge type. Please note that the listed charge categories may include attempts.
